

About Heliview

Heliview is a 100% Kiwi-owned family business, providing scenic and charter flights throughout Taranaki and the Central Plateau. Based from Ocean View Parade, Port Taranaki, at the start of the coastal walkway, we are just minutes away from the New Plymouth CBD. Our flights are also available from Okurukuru Winery on Surf Highway 45.

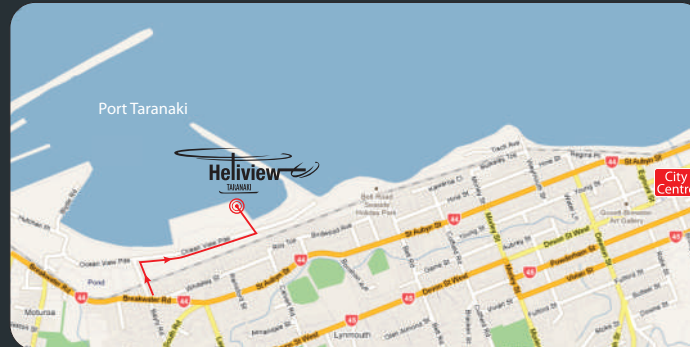

Our helicopter has an executive fit-out: all-leather seating with air-conditioning and active noise-cancelling headsets. All passengers (up to 5) have window seats with sliding windows. Ask about our on-board video system.

Richard, your pilot, has been flying helicopters for over 22 incident-free years, so you can rest assured you'll be in safe hands.

We are Qualmark endorsed, a member of the Tourist Flight Operators and an inaugural member of the New Zealand Helicopter Association, ensuring that we maintain top quality procedures and facilities for our customers.

The helicopter can be chartered at \$1800+gst per flight hour (or part there of) for up to 6 passengers (weight restrictions apply).

Where to find us

Heliview can be located by turning right onto Ocean View Parade from Bayly Road (refer to map above). Then turn left into Rarawa Road alongside Tasman Marine.

Single passengers are asked to be flexible on timings so we can arrange other passengers to fly with you. While flights are weather dependent, they can easily be rescheduled.
